Killian Committee Report

1. Attached is a copy of our last contribution to the Killian Committee report for the period March 31 through September 30, 1958.
2. The new report is to cover the period September 30, 1958 through March 31, 1959.
3. The I.G. has emphasized two facts for the new report: it is to be at least as brief as the last report, and it is to cover only new, significant accomplishments. The I.G. states that, if you have nothing to report that is new, you should state that.
4. Please get your report to me by Friday, 27 March 1959.
